SAMARTHHA HACKATHON

ORGANISED

VIGNAN'S INSTITUTE OF INFORMATION TECHNOLOGY (A),
VISHAKAPATNAM

ABOUT US

Vignan's Institute of Information Technology proudly hosts **seven** vibrant communities:

- ◆ **HACKERRANK** – Sharpening competitive problem-solving
- ◆ **ALGOZENITH** – Elevating computational excellence
- ◆ **GFG** – Cultivating coding prowess
- ◆ **UNSTOP** – Propelling academic and career growth
- ◆ **MLSC** – Advancing machine learning and AI
- ◆ **GDG** – Fostering a global developer network
- ◆ **STUDENTSPOT** – Nurturing diverse campus opportunities

Together, these communities form a collaborative ecosystem dedicated to excellence and mutual growth through diverse, impactful events.

PRESENTING SAMARTHA 2026

Join **Samartha 2026** at Vignan's Institute of Information Technology on **October 10-11** for a dynamic **24-hour** virtual + offline hackathon organized by our passionate student community. This nationwide event is an inclusive platform that challenges participants to tackle thought-provoking problems while enjoying essential amenities—including food—to ensure a seamless experience.

Key Highlights:

- ◆ A dynamic environment for hands-on problem-solving
- ◆ A unique offline setting that fosters collaboration and real-time solution development
- ◆ A celebration of creativity, camaraderie, and innovation under time constraints
